Thanks, Jeana for forwarding the meeting to Sergio! Sergio, I'm sorry that I didn't include you. I was in a rush b/c I was afraid that the only time slot to meet this morning would fill up before I got the invite out.

See attached request from EFED.

Hi BEAD,

Attached is the information EFED needs to complete the additional PCA/PCT work for the aldicarb new use. If you have any questions, please let us know. I know we have a follow-up meeting today at 11:30 am.

Thanks,
Amy

Hi Hope,

In scoping out the ask to BEAD, the team needed to confirm a couple of things with the larger EFED PCA/PCT team last week, but we should be sending something to you today.

Thanks,
Amy

Hi,

We are compiling that information now and are targeting getting it to BEAD in the next few days (there are a couple of questions we want to ask others on the EFED PCT/PCA team to make sure we are approaching it correctly).

Thanks,
Amy
